Here is a simpler proof that the Mueller Russia Trump investigation is a hoax:

1. If the beginning of an investigation is unreliable, the **entire investigation is a hoax**.
2. The beginning of the investigation was **done by Peter Strzok**.
3. Peter Strzok is an **unreliable investigator** (for proof of this fact see [Simple Proof That Peter Strzok Should Be Fired From The FBI](#))
4. Therefore, the **entire investigation is a hoax**.
