This document contains all 5 of the Little Johnny cartoons posted in our [forum](#), which contains a mix of thinking, all anti Gay-pervert. Email this document to everyone you know. Sit down with your children and read each cartoon together with them then explain anything to your children that they don't understand.

This cartoon series is a part of instructional material designed to *combat* school brainwashing of our children, which seeks to get them to believe that Gay-perverts are normal. Everything Little Johnny says is documented at:
